

# Outdoor Learning Weekend Golden Legacy

Come Celebrate 50 Years of Outdoor Learning  
at Camp Robbinswold  
March 25-27, 2011

(Register early! Deadline: March 4, 2011)

Choose ONE class

All Classes last the entire weekend from Friday evening  
through Early Sunday afternoon.

**WHO:** Registered Adult Girl Scouts; any level of camping experience/comfort

**WHAT:** Explore rich opportunities in the outdoors, gain new skills and celebrate 50 years of leaders learning at Camp Robbinswold! As an added bonus every group will also get to explore the Robbinswold beach and learn activities to take back to your girls from a local expert.

**WHEN:** Friday, March 25; workshops begin at 7:00 p.m. and run through Sunday, March 27, early afternoon.

**WHERE:** Beautiful Camp Robbinswold on the shore of Hood Canal

**WHY:** Take part in a learning opportunity while experiencing the fun and camaraderie of camp.

**COST:** \$42 includes lodging, meals & course materials; financial assistance available.

COURSE	DESCRIPTION	PREREQUISITE	LOCATION
<b>Outdoor 2</b>	Get the basics you need to take your group overnight for 2 nights or less at any location that does not involve erecting your own shelter. Basic outdoor skills will include use of propane stoves & lanterns, making 1 pot meals & campfires. <b>This course will also include Box and Dutch oven cooking.</b> To involve girls in the planning this course should be taken 6-8 weeks before the scheduled overnight.	Outdoor 1	Sleep in outdoor shelters; learn outdoors and indoors
<b>Advanced Camping Skills 1</b>	Broaden your knowledge & skills with lashing, fire building, knots, alternative shelters, introductory map & compass & using large tools. Come with a hearty appetite for innovative cooking techniques	Outdoor 1, 2, & 3; ability to walk 1 mile over uneven terrain.	Sleep in outdoor shelters; learn outdoors and indoors
<b>Advanced Camping</b>	Take your advanced outdoor skills to a new level as you camp and explore beautiful Lake Armstrong and the upper trails &	Advanced Camping Skills 1	Be prepared for anything; good

<b>Skills 2</b>	forests of camp. With main camp as our cozy Friday night (indoor) base, we'll review and re-pack and be ready for anything. Large gear will be transported by vehicle, leaving you free to and hike up with just your 10 essentials. You never know what might come in handy if you were "shipwrecked!"... Facilitators; Brenda Ross & Shannon Buxton		fitness for hiking & exposure to whatever March weather will bring.
<b>Rambling Around Robbinswold</b>	Come explore the trails and other neat spots at Robbinswold. See the places your girls have raved about and you haven't seen. On a leisurely hike through camp we will do activities along the trail or at specific sites. LNT and other hiking tips will be emphasized. Make sure you have hiking boots and good rain gear. We will hike regardless of the weather. As a bonus, we get to sleep indoors! All meals will be in the lodge except for Saturday lunch Facilitators: Jan Prentice & Laura Wickham	A sense of adventure and ability to hike 1-2 miles	Sleep indoors; Learn outdoors and indoors
<b>Combined Event Director and Encamporee Director Workshop</b>	Learn about timelines, checklists, marketing strategies, finance, logistics, safety, working with a leadership team, and developing quality program. A great workshop for anyone who will be directing a large event for girls or adults. Strongly recommended for new Community Day Camp directors and Encamporee directors. Encamporee Director provides tools and resources to effectively manage a weekend camping program. Learn how to develop goals and objectives for your camp, make a planning timeline and schedule activities appropriately. Also includes information on providing effective risk management and emergency procedures, and maintaining camping traditions for your community.	Any interested Adult	Learn and sleep indoors
<b>Quantity Cooking</b>	Learn to prepare quality meals for large group events while working effectively in a commercial kitchen. This course qualifies adults to use council kitchen facilities. Be prepared to be cooking & on your feet most of the weekend.	Current Food Handlers Permit. Course begins at 4:00 pm on Friday	Sleep and Learn indoors
<b>Do Your Own Thing</b>	Taken all the workshops you need. Just want to come to Camp and play. This is for you! Bring your projects you want to work on, books to read, etc. The choice is yours!	Have attended at least one Outdoor Learning Weekend	Sleep indoors or outdoors
<b>Camp as Your Laboratory</b>	Come explore camp in a whole new way! Your inquiry based weekend will help you to discover how things in nature work; from rainbows and meteor showers to that perfect campfire s'more, with camp as your laboratory. Utilizing games, challenges, experiments and investigation you will tap the hidden physicist, botanist, oceanographer, astronomer, biologist, chemist, and meteorologist inside you. Return from camp armed with new experiences and fun activities for your Troop! This session is designed for everyone, regardless of science background and is the perfect way for you to reacquaint yourselves to the scientific method and learn what science activities are available through council resources. Facilitators: Alice Few, Libby Gibson and Joann Munson	Any interested Adult	Learn outdoors and sleep indoors
